

May 2025

Greetings Schuetzen Shooters,

It's Spring, and Summer is at hand. It's time to cast bullets and get ready for the International matches. I'm looking forward to being back in Northern New Mexico and shooting on the Coors Range at the beautiful Whittington Center. The matches are a great opportunity to catch up with old friends and make new ones.

- **The matches run July 28 through August 1, 2025.**
- **The Pavilion will be available, Saturday, July 26th**
Load-in and set up the scoring shack.
- **Registration opens Sunday, July 27th,**
- **The Coors range will be available for practice on Sunday, July 27th.**
- **Competition begins Monday, July 28, 2025.**

This year, we have added a fee of \$20 per shooter per shooting day to cover the daily fee charged by the Whittington Center. This is necessary to keep our treasury solvent. By doing this we expect to continue holding matches in the coming years.

This year as before, we will need range officers to walk the line during our matches, so if you are not shooting a match, please help us out on the line. We also need help scoring the targets after the match.

We are prepared to hold youth matches this year. We will have 100-yard target butts set up all week. There will be medals for the Youth matches.

Have a safe trip and I look forward to seeing you all this summer.

See you there.
